

The NC AFL-CIO is surveying the needs of impacted working union families affected by Hurricane Florence. Please fill out the link to the survey below in order to receive aid from our relief funds and resources. You may also donate to our Workers Relief Fund by visiting the link below.

Funds collected by the North Carolina AFL-CIO will be used to assist union members and their communities affected by the hurricane.

While we cannot make anyone whole, donating to the North Carolina Workers Relief Fund sends a message of solidarity and the knowledge that working people affected by this disaster are supported by Brothers and Sisters across the nation.

If you would like to send a check, make checks payable to **NC State AFL-CIO** with "NC Workers Relief Fund" on the memo line and send to:

The North Carolina Workers Relief Fund is administered by the North Carolina State AFL-CIO, a 501(c)5 non-profit, and, as such, donations to the Fund are *not* tax deductible. Funds collected by the North Carolina AFL-CIO will be used to assist union members and their communities affected by the hurricane. The North Carolina State AFL-CIO is the largest association of unions of working people in North Carolina, representing a hundred and forty-five thousand members, working together for good jobs, safe workplaces, workers' rights, consumer protections, and quality public services on behalf of ALL working people.
